Section 1 – Introduction

This directory provides a list of Solis Health Plan's network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

You will have to choose one of our network providers listed in this directory to be your Primary Care Provider (PCP). Generally, you must get your health care services from your PCP. Your PCP is a Physician whose primary specialty is Family Practice, Internal Medicine, Geriatrics or General Practice who meets state requirements and is trained to give you basic medical care. You will get your routine or basic care from your PCP. Your PCP will also "coordinate" the rest of the covered services you get as a member of our Plan.

The network providers listed in this directory have agreed to provide you with your health care, vision and dental services. You may go to any of our network providers listed in this directory; however, some services may require a referral or prior authorization.

Even though your PCP is trained to handle the majority of common health needs, there may be a time when you need more specialized treatment. In those situations, you may see a plan specialist. Specialists are doctors who are trained to provide health services for a specific disease or part of the body. For some types of specialists, you will need to obtain a "referral" from your PCP before you can schedule an appointment with the specialist. Below is a list of provider specialty types that require referrals from your PCP before you can schedule an appointment with them. For a comprehensive listing of providers and services requiring a referral, please refer to your Evidence of Coverage (EOC) documents.

Please note: Some provider types may have been added or removed from the list after this directory was printed. You should check with your PCP or call Member Services at the phone number on the cover to see if a referral is required to see a specialist or other provider.

Certain provider services require a referral. For detailed information, please refer to your Evidence of Coverage (EOC) or contact Member Services at (844) 447-6547.

Please note:

A referral is different from "prior authorization", which is required before certain services and/or procedures can be performed.

There may also be times when you get a bill from a provider for the full cost of medical care you have received. In many cases, you should contact Member Services or send this bill along with associated medical records to us instead of paying it. In the event that you made a payment, please also submit proof of payment. We will look at the bill and decide whether the services should be covered. If we decide they should be covered, we will pay the provider directly. (Please note that we cannot pay a provider who has opted out of the Medicare program. Check with your provider before receiving services to confirm that they have not opted out of Medicare.) If we determine that the services are not covered or were not medically necessary, we may deny coverage and you will be responsible for the entire cost.

You may get emergency medical care whenever you need it, worldwide. If you feel you have an emergency, call 911 for help or go to the nearest emergency room or hospital. Our plan covers ambulance services in situations where getting to the emergency room in any other way could endanger your health. Please refer to your Evidence of Coverage for details. If you have an emergency, we will talk with the doctors who are giving you emergency care to help manage and follow up on your care. The doctors who are giving you emergency care will decide when your condition is stable and the medical emergency is over. After the emergency is over you are entitled to follow-up care to be sure your condition continues to be stable. Your follow-up care will be covered by our plan. If your emergency care is provided by out-of-network providers, we will try to arrange for network providers to take over your care as soon as your medical condition and the circumstances allow.

You must use plan providers except in emergency or urgent care situations or for out-of-area renal dialysis. If you obtain care from out-of-network providers neither Medicare nor Solis Health Plans will be responsible for the costs.

Sección 1: Introducción

En este directorio, se proporciona una lista de los proveedores de la red de Solis Health Plans. Para obtener información detallada acerca de su cobertura de atención médica, consulte su Evidencia de Cobertura (EOC, por sus siglas en inglés).

Deberá elegir uno de nuestros proveedores de la red que aparecen en este directorio como su Proveedor de atención primaria (PCP, por sus siglas en inglés). En general, su PCP debe prestarle servicios de atención médica. Su PCP es un médico cuya especialidad principal es la Medicina Familiar, Medicina Interna, Geriatría o Medicina General, que cumple con los requerimientos del estado y está entrenado para brindarle atención médica básica. Recibirá atención de rutina o básica de su PCP. Su PCP, también "coordinará" el resto de los servicios cubiertos que usted recibe como miembro de nuestro plan.

Los proveedores de la red mencionados en este directorio han aceptado proporcionarle servicios de atención médica, así como servicios de la vista y dentales. Si bien puede acudir a cualquiera de nuestros proveedores de la red mencionados en este directorio, algunos servicios pueden requerir un referido o autorización previa.

Aunque su PCP está entrenado para manejar la mayoría de las necesidades comunes de salud, puede haber ocasiones en las que usted necesite un tratamiento más especializado. En esas situaciones, usted puede ver a un especialista de plan. Los especialistas son médicos que son entrenados para proporcionar servicios de salud para una enfermedad o parte del cuerpo específica. Para algunos tipos de especialistas, usted necesitará obtener un "referido" por parte de su PCP antes de programar una cita con el especialista. A continuación, se encuentra una lista de tipos de especialidades del proveedor que requieren referidos por parte de su PCP antes de que pueda programar una cita con ellos. Para obtener una lista completa de proveedores y servicios que requieren un referido, consulte sus documentos de Evidencia de Cobertura (EOC).

Tenga en cuenta: es posible que algunos tipos de proveedores se hayan agregado o eliminado de la lista después de la impresión de este directorio. Usted deberá verificar con su PCP o llamar a Servicio para Miembros al número telefónico en la cubierta para consultar si se requiere un referido para ver a un especialista u otro proveedor.

Certain provider services require a referral. Ciertos servicios de proveedores requieren un referido. Para información detallada, por favor consulte su Evidencia de Cobertura (EOC) o contacte a Servicios para Miembros al (844) 447-6547.

Tenga en cuenta:

Un referido es distinto de una "autorización previa", el cual se requiere antes de llevar a cabo ciertos servicios y/o procedimientos.

También es posible que haya ocasiones en las que usted reciba una factura por el costo total de la atención médica que usted haya recibido. En muchos casos, usted deberá contactar a Servicio para Miembros o enviarnos esta factura junto con registros médicos asociados en lugar de pagarla. En caso de que usted haya hecho un pago, por favor envíe también la prueba de pago. Revisaremos la factura y decidiremos si los servicios deberían ser cubiertos. Si decidimos que deberían ser cubiertos, le pagaremos directamente al proveedor. (Por favor tenga en cuenta que no podemos pagarle a un proveedor que haya optado por salirse del programa de Medicare. Verifique con su proveedor antes de recibir servicios para confirmar que no haya optado por salirse de Medicare). Si determinamos que los servicios no están cubiertos o no fueron necesarios por razones médicas, podemos negar la cobertura y usted será responsable por el costo total.

Puede obtener atención médica de emergencia siempre que la necesite y en cualquier parte del mundo. Si siente que tiene una emergencia, llame al 911 para obtener ayuda o vaya a la sala de emergencia u hospital más cercano. Nuestro plan cubre servicios de ambulancia para situaciones en las que acudir a la sala de emergencia por otro medio podría poner en peligro su salud. Por favor consulte su Evidencia de Cobertura para más detalles. Si tiene una emergencia, hablaremos con los médicos que le están prestando la atención de emergencia para ayudar a manejar y hacer el seguimiento de su atención. Los médicos que le prestan la atención de emergencia decidirán cuándo su afección esté estable y la emergencia médica haya terminado. Después de que la emergencia haya terminado, puede obtener atención de seguimiento para asegurarse de que su afección continúe estable. Su atención de seguimiento estará cubierta en nuestro plan. Si su atención de emergencia es prestada por proveedores fuera de la red, intentaremos arreglar con proveedores de la red para que se encarguen de su atención apenas su afección médica y la situación lo permitan.

Debe usar proveedores del plan salvo en situaciones de emergencia o atención de urgencia o para diálisis renal u otros servicios fuera del área. Si recibe atención de proveedores fuera de la red, ni Medicare ni Solis Health Plans serán responsables de los costos.
