Summary of Benefits - January 1, 2019 - December 31, 2019

SPF 006 (HMO D-SNP) is a Medicare Advantage HMO Special Needs Plan with a Medicare contract and a contract with the State Medicaid program.

Are you able to join our plan? The answer is yes, if you are:

- entitled to Medicare Part A
- enrolled in Medicare Part B
- live within our service area listed inside the cover
- and are a United States citizen or lawfully present in the United States

In order to be a member of this plan, you must be enrolled in both Medicare and Medicaid. The amount of coverage sponsored by Medicaid depends on your income, assets and other factors.

While some people may receive full Medicaid benefits, some will only receive limited assistance designated for Medicare costs, which will often include copays, deductibles, coinsurance, or premiums.

You can enroll in this plan if you are in one of these Medicaid categories:

- **Qualified Medicare Beneficiary Plus (QMB+):** You get Medicaid coverage of Medicare cost-share and are also eligible for full Medicaid benefits. Medicaid pays your Part A and Part B premiums, deductibles, coinsurance and copayments amounts.
- **Qualified Medicare Beneficiary (QMB):** You get Medicaid coverage of Medicare cost-share but are not eligible for full Medicaid benefits. Medicaid pays your Part A and Part B premiums, deductibles, coinsurance and copayments amounts only.
- **Qualified Disabled and Working Individual (QDWI):** Medicaid pays your Part A premium only.
- **Qualifying Individual (QI):** Medicaid pays your part B premium only.
- **Specified Low-Income Medicare Beneficiary (SLMB+):** You get full Medicaid benefits, and Medicaid pays your Part B premium.
- **Specified Low-Income Medicare Beneficiary (SLMB):** Medicaid pays your Part B premium only.
- **Full Benefits Dual Eligible (FBDE):** Medicaid may provide limited assistance with Medicare cost-sharing. Medicaid also provides full Medicaid benefits.

If your category of Medicaid eligibility changes, your cost-share may also increase or decrease. You must recertify your Medicaid enrollment to continue to receive your Medicare coverage.

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at 1-844-447-6547, TTY 711.

Understanding the Benefits

- Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those services for which you routinely see a doctor. Visit www.solishealthplans.com or call 1-844-447-6547, TTY 711 to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.

Understanding Important Rules

- In addition to your monthly plan, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/co-insurance may change on January 1, 2020.
- Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- This plan is a dual eligible special needs plan (D-SNP). Your ability to enroll will be based on a verification that you are entitled to both Medicare and medical assistance from a state plan under Medicaid.

Disclaimers
