To Learn More About Medicare:

- Compare your Medicare options with other plans you can use the Medicare Plan Finder on www.medicare.gov
- Learn more about the coverage and costs of Original Medicare, look in your current “Medicare & You” handbook. View it online at www.medicare.gov or get a copy by calling 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048. This document is available in other formats such as braille, large print or audio.

To join **Solis Guardian Plan (D-SNP)**, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, and live in our service area.

What Does This Plan Cover?

- Our plans cover everything that Original Medicare covers - and more!
- Our plans have prescription drug coverage (Part D). You can see Solis' comprehensive prescription drug list (Formulary) on our website.
- Solis has a network of hospitals, doctors, specialists, pharmacies, and other providers ready to serve all of your healthcare needs. You can access the Provider Directory on our website. Services are available when using an in-network provider. Out-of-network provider services are not covered except in emergency situations.

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a Member Service representative at 1-844-447-6547 (TTY: 711).

Understanding the Benefits

- The Evidence of Coverage (EOC), provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit www.solishealthplans.com or call 1-844-447-6547 (TTY: 711) to view a copy of the EOC.
- Review the Provider/Pharmacy Directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the Provider/Pharmacy Directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- Review the Formulary to make sure your drugs are covered.

Understanding Important Rules

- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/co-insurance may change on January 1, 2025.
- Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the Provider/Pharmacy Directory).
- Your current health care coverage will end once your new Medicare coverage starts. For example, if you are in Tricare or a Medicare plan, you will no longer receive benefits from that plan once your new coverage starts.
- This plan is a dual eligible special needs plan (D-SNP). Your ability to enroll will be based on verification that you are entitled to both Medicare and medical assistance from a state plan under Medicaid.
