View it online at [www.medicare.gov](http://www.medicare.gov) or get a copy by calling 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048. ### What Does This Plan Cover?

- Our plans cover everything that Original Medicare covers - and more!
- Our plans have prescription drug coverage (Part D). You can see Solis’ comprehensive prescription drug list (Formulary) on our website.
- Solis has a network of hospitals, doctors, specialists, pharmacies, and other providers ready to serve all of your healthcare needs. You can access the Provider Directory on our website. Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a Member Service representative at 1-844-447-6547 (TTY: 711).

## Understanding the Benefits

- The Evidence of Coverage (EOC), provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit [www.solishealthplans.com](http://www.solishealthplans.com) or call 1-844-447-6547 (TTY: 711) to view a copy of the EOC.
- Review the Provider/Pharmacy Directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the Provider/Pharmacy Directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- Review the Formulary to make sure your drugs are covered.

## Understanding Important Rules

- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/co-insurance may change on January 1, 2025.
- Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the Provider/Pharmacy Directory).
- Your current health care coverage will end once your new Medicare coverage starts. For example, if you are in Tricare or a Medicare plan, you will no longer receive benefits from that plan once your new coverage starts.
