

Get Faster Access to your Payments!

Enroll now Payspan's EFT program (direct deposit) and begin enjoying faster access to your **Solis Health Plans** payments. **Solis Health Plans** has engaged Payspan's claim reimbursement services to accelerate and simplify your payments while reducing reliance on inefficient and slow paper processes.

This free service gives you:

- Self-service access to payment history from over 700 health plans
- Tools to ease reconciliation and view EOP
- Free mailbox to route your remittance to clearinghouses or billing agencies

To enroll today, please visit www.payspanhealth.com.

Please be sure to have the Registration Code and **PIN, which you will receive with your first check payment from Solis**, when you are registering. The Registration Code and **PIN** are required to create a Payspan Health account. Have your bank account number and routing number available when registering. To automatically register all plans to pay via EFT click the box on the Account Set Up screen labeled "Assign future payments paid to your TIN to this receiving account"

If you need additional assistance, please access the Payspan help page at www.payspanhealth.com/nps/Support/Index or contact Payspan via email at providersupport@payspanhealth.com or by phone at 877-331-7154, Option 1.
