What is the Solis Health Plans Formulary?

A formulary is a list of covered drugs selected by Solis Health Plans in consultation with a team of health care providers, which represents the prescription therapies believed to be a necessary part of a quality treatment program. Solis Health Plans will generally cover the drugs listed in our formulary as long as the drug is medically necessary, the prescription is filled at a Solis Health Plans network pharmacy, and other plan rules are followed. For more information on how to fill your prescriptions, please review your Evidence of Coverage.

¿Qué es el Formulario de Solis Health Plans?

Un formulario es una lista de medicamentos cubiertos seleccionados por Solis Health Plans con la colaboración de un equipo de proveedores de atención médica, que representa los tratamientos con receta que se consideran parte necesaria de un programa de tratamiento de calidad. Normalmente, Solis Health Plans cubrirá los medicamentos incluidos en el formulario, siempre que el medicamento sea médicamente necesario, el medicamento con receta se obtenga en una farmacia de la red de Solis Health Plans y se cumpla con otras reglas del plan. Para obtener más información sobre cómo obtener sus medicamentos con receta, consulte la Evidencia de Cobertura.

Can the Formulary (drug list) change?

Most changes in drug coverage happen on January 1, but Solis Health Plans may add or remove drugs on the Drug List during the year, move them to different cost-sharing tiers, or add new restrictions. We must follow Medicare rules in making these changes.

Changes that can affect you this year: In the below cases, you will be affected by coverage changes during the year:

- **New generic drugs.** We may immediately remove a brand name drug on our Drug List if we are replacing it with a new generic drug that will appear on the same or lower cost sharing tier and with the same or fewer restrictions. Also, when adding the new generic drug, we may decide to keep the brand name drug on our Drug List, but immediately move it to a different cost-sharing tier or add new restrictions. If you are currently taking that brand name drug, we may not tell you in advance before we make that change, but we will later provide you with information about the specific change(s) we have made.

    - If we make such a change, you or your prescriber can ask us to make an exception and continue to cover the brand name drug for you. The notice we provide you will also include information on how to request an exception, and

you can also find information in the section below entitled “How do I request an exception to the Solis Health Plans Formulary?”

- **Drugs removed from the market.** If the Food and Drug Administration deems a drug on our formulary to be unsafe or the drug’s manufacturer removes the drug from the market, we will immediately remove the drug from our formulary and provide notice to members who take the drug.

- **Other changes.** We may make other changes that affect members currently taking a drug. For instance, we may add a generic drug that is not new to market to replace a brand name drug currently on the formulary; or add new restrictions to the brand name drug or move it to a different cost-sharing tier or both. Or we may make changes based on new clinical guidelines. If we remove drugs from our formulary, or add prior authorization, quantity limits and/or step therapy restrictions on a drug or move a drug to a higher cost-sharing tier, we must notify affected members of the change at least 30 days before the change becomes effective, or at the time the member requests a refill of the drug, at which time the member will receive a 30 day supply of the drug.

    - If we make these other changes, you or your prescriber can ask us to make an exception and continue to cover the brand name drug for you. The notice we provide you will also include information on how to request an exception, and you can also find information in the section below entitled “How do I request an exception to the Solis Health Plans Formulary?”

Changes that will not affect you if you are currently taking the drug. Generally, if you are taking a drug on our 2024 formulary that was covered at the beginning of the year, we will not discontinue or reduce coverage of the drug during the 2024 coverage year except as described above. This means these drugs will remain available at the same cost-sharing and with no new restrictions for those members taking them for the remainder of the coverage year. You will not get direct notice this year about changes that do not affect you. However, on January 1 of the next year, such changes would affect you, and it is important to check the Drug List for the new benefit year for any changes to drugs.

The enclosed formulary is current as of April 18, 2024. To get updated information about the drugs covered by our plan, please contact us. Our contact information appears on the front and back cover pages.

Note: In the event of mid-year non-maintenance formulary changes, we will update the printed formulary on our website at www.solishealthplans.com

¿Puede cambiar el Formulario (lista de medicamentos)?

La mayoría de los cambios en la cobertura de medicamentos ocurren el 18 de abril, pero Solis Health Plans podría agregar o quitar medicamentos de la lista de medicamentos durante el año,

moverlos a diferentes niveles de costo compartido o agregar nuevas restricciones. Debemos seguir las reglas de Medicare al hacer estos cambios.

Cambios que pueden afectarlo este año: En los casos a continuación, usted se verá afectado por los cambios de cobertura durante el año:

- **Nuevos medicamentos genéricos.** Podemos eliminar inmediatamente un medicamento de marca de nuestra Lista de Medicamentos si lo reemplazamos con un nuevo medicamento genérico que aparecerá en el mismo nivel de costo compartido o en un nivel de costo compartido más bajo y con las mismas restricciones o menos. Además, cuando agreguemos el nuevo medicamento genérico, podemos decidir mantener el medicamento de marca en nuestra Lista de Medicamentos, pero inmediatamente moverlo a un nivel de costo compartido diferente o agregar nuevas restricciones. Si actualmente está tomando ese medicamento de marca, quizás no le informemos con antelación antes de que realicemos el cambio, pero más adelante le proporcionaremos información sobre los cambios específicos que hemos realizado.

    - Si realizamos un cambio, usted o la persona autorizada a dar recetas pueden solicitarnos que hagamos una excepción y sigamos cubriendo el medicamento de marca para usted. En el aviso que le proporcionamos también se incluirá información sobre cómo solicitar una excepción, y usted también puede encontrar información en la sección a continuación titulada "¿Cómo puedo solicitar que se haga una excepción al Formulario de Solis Health Plans?".

- **Medicamentos retirados del mercado.** Si la Administración de Alimentos y Medicamentos considera que un medicamento de nuestro Formulario es inseguro o el fabricante del medicamento lo retira del mercado, eliminaremos de inmediato dicho medicamento de nuestro Formulario y le notificaremos a los afiliados que toman el medicamento en cuestión.

- **Otros cambios.** Podemos hacer otros cambios que afectan a los afiliados que actualmente toman un medicamento. Por ejemplo, podemos agregar un medicamento genérico que no es nuevo en el mercado para reemplazar un medicamento de marca que actualmente se encuentre en el Formulario o agregar nuevas restricciones al medicamento de marca o moverlo a un nivel de costo compartido diferente o ambos. O, podemos hacer cambios en función de las nuevas pautas clínicas. Si retiramos medicamentos de nuestro Formulario, o agregamos autorizaciones previas, restricciones de límite de cantidad o de terapia escalonada en un medicamento o si pasamos un medicamento a un nivel más alto de costo compartido, debemos notificarle a los afiliados afectados por el cambio al menos 30 días antes de que entre en vigencia dicho cambio, o cuando el afiliado solicite una repetición del medicamento, momento en el cual el afiliado recibirá un suministro del medicamento para 30 dias.

    - Si realizamos estos otros cambios, usted o la persona autorizada a dar recetas pueden solicitarnos que hagamos una excepción y sigamos cubriendo el

medicamento de marca para usted. En el aviso que le proporcionamos también se incluirá información sobre cómo solicitar una excepción, y usted también puede encontrar información en la sección a continuación titulada "¿Cómo puedo solicitar que se haga una excepción al Formulario de Solis Health Plans?".

Cambios que no lo afectarán si actualmente toma el medicamento. En general, si usted toma un medicamento de nuestro Formulario para 2024 que estaba cubierto al comienzo del año, nosotros no descontinuaremos ni reduciremos la cobertura del medicamento durante el año de cobertura 2024, excepto como se describe anteriormente. Esto significa que, por el resto del año de cobertura, estos medicamentos continuarán disponibles al mismo costo compartido y sin nuevas restricciones para aquellos afiliados que estén tomándolos. No recibirá notificación directa este año sobre los cambios que no lo afectan. Sin embargo, el 1 de enero del próximo año, dichos cambios lo afectarían, y es importante consultar la Lista de Medicamentos para el nuevo año de beneficios para cualquier cambio en los medicamentos.

El Formulario adjunto es vigente a partir del 1 de enero de 2024. Para recibir información actualizada sobre los medicamentos cubiertos por nuestro plan, comuníquese con nosotros. Nuestra información de contacto aparece en las páginas de la portada y contraportada.

Nota: En el caso de cambios en el formulario, no de mantenimiento a mitad de año, actualizaremos el formulario impreso en nuestro sitio web en www.solishealthplans.com.

How do I use the Formulary?

There are two ways to find your drug within the formulary:

Medical Condition

The formulary begins on page 19. The drugs in this formulary are grouped into categories depending on the type of medical conditions that they are used to treat. For example, drugs used to treat a heart condition are listed under the category, "ANTIHYPERTENSIVES". If you know what your drug is used for, look for the category name in the list that begins on page 19. Then look under the category name for your drug.

Alphabetical Listing

If you are not sure what category to look under, you should look for your drug in the Index that begins on page 123. The Index provides an alphabetical list of all the drugs included in this document. Both brand name drugs and generic drugs are listed in the Index. Look in the Index and find your drug. Next to your drug, you will see the page number where you can find coverage information. Turn to the page listed in the Index and find the name of your drug in the first column of the list.

¿Cómo utilizo el Formulario?

Hay dos formas para encontrar su medicamento dentro del Formulario:

Afección médica

El Formulario comienza en la página 19. Los medicamentos de este Formulario están agrupados en categorías según el tipo de condición médica para la cual son utilizados. Por ejemplo, los medicamentos utilizados para tratar una condición cardíaca se agrupan dentro de la categoría, "ANTIHIPERTENSIVOS". Si sabe para qué se utiliza su medicamento, busque el nombre de la categoría en la lista que empieza en la página 19. Luego, busque su medicamento debajo del nombre de la categoría.

Listado alfabético

Si no está seguro de qué categoría consultar, debe buscar su medicamento en el Índice que comienza en la página 122. El Índice proporciona una lista alfabética de todos los medicamentos incluidos en este documento. En el Índice, están tanto los medicamentos de marca como los genéricos. Busque en el Índice y encuentre su medicamento. Junto a su medicamento, verá el número de página donde puede encontrar información acerca de la cobertura. Vaya a la página que figura en el Índice y encuentre el nombre de su medicamento en la primera columna de la lista.

What are generic drugs?

Solis Health Plans covers both brand name drugs and generic drugs. A generic drug is approved by the FDA as having the same active ingredient as the brand name drug. Generally, generic drugs cost less than Brand-name drugs.

¿Qué son los medicamentos genéricos?

Solis Health Plans cubre tanto los medicamentos de marca como los genéricos. Un medicamento genérico está aprobado por la Administración de Drogas y Alimentos (FDA) dado que se considera que tiene el mismo ingrediente activo que el medicamento de marca. Normalmente, los medicamentos genéricos cuestan menos que los de marca.

Are there any restrictions on my coverage?

Some covered drugs may have additional requirements or limits on coverage. These requirements and limits may include:

- **Prior Authorization:** Solis Health Plans requires you or your physician to get prior authorization for certain drugs. This means that you will need to get approval from Solis Health Plans before you fill your prescriptions. If you don't get approval, Solis Health Plans may not cover the drug.

- **Quantity Limits:** For certain drugs, Solis Health Plans limits the amount of the drug that Solis Health Plans will cover. For example, Solis Health Plans provides 30 tablets per prescription for TRADJENTA. This may be in addition to a standard one-month or three-month supply.

- **Step Therapy:** In some cases, Solis Health Plans requires you to first try certain drugs to treat your medical condition before we will cover another drug for that condition. For example, if Drug A and Drug B both treat your medical condition, Solis Health Plans may not cover Drug B unless you try Drug A first. If Drug A does not work for you, Solis Health Plans will then cover Drug B.

You can find out if your drug has any additional requirements or limits by looking in the formulary that begins on page 19. You can also get more information about the restrictions applied to specific covered drugs by visiting our website. We have posted online documents that explain our prior authorization and step therapy restrictions. You may also ask us to send you a copy. Our contact information, along with the date we last updated the formulary, appears on the front and back cover pages.

You can ask Solis Health Plans to make an exception to these restrictions or limits or for a list of other, similar drugs that may treat your health condition. See the section, "How do I request an exception to the Solis Health Plan formulary?" on page 9 for information about how to request an exception.

¿Hay alguna restricción en mi cobertura?

Algunos medicamentos cubiertos pueden tener requisitos o límites de cobertura adicionales. Estos requisitos y límites pueden incluir:

- **Autorización previa:** Solis Health Plans exige que usted o su médico obtenga una autorización previa para determinados medicamentos. Esto significa que necesitará contar con la aprobación de Solis Health Plans antes de obtener sus medicamentos con receta. Si no consigue la autorización, es posible que Solis Health Plans no cubra el medicamento.

- **Límites de cantidad:** Para ciertos medicamentos, nuestro plan limita la cantidad del medicamento que cubrirá. Por ejemplo, nuestro plan proporciona 30 tabletas por receta para TRADJENTA. Esto puede ser complementario a un suministro estándar para un mes o tres meses.

- **Tratamiento escalonado:** En algunos casos, Solis Health Plans requiere que usted primero pruebe ciertos medicamentos para tratar su condición médica antes de que cubramos otro medicamento para esa enfermedad. Por ejemplo, si el medicamento A y el medicamento B tratan su condición médica, es posible que Solis Health Plans no cubra el medicamento B a menos que usted pruebe primero el medicamento A. Si el medicamento A no funciona para usted, entonces Solis Health Plans cubrirá el medicamento B.

Para averiguar si su medicamento tiene requisitos o límites adicionales, consulte el Formulario que empieza en la página 19. También puede obtener más información sobre las restricciones que se aplican a medicamentos cubiertos específicos en nuestro sitio web. Hemos publicado documentos en línea que explican nuestras restricciones de autorización previa y terapia

escalonada. También puede pedirnos que le enviemos una copia. Nuestra información de contacto, junto con la fecha de la última actualización del Formulario, aparece en las páginas de la portada y contraportada.

Puede pedirle a Solis Health Plans que haga una excepción a estas restricciones o límites, o puede solicitarle una lista de otros medicamentos similares que puedan tratar su condición médica. Consulte la sección "¿Cómo puedo solicitar que se haga una excepción al Formulario de Solis Health Plan?" en la página 10 para obtener información acerca de cómo solicitar una excepción.

What are over-the-counter (OTC) drugs?

OTC drugs are non-prescription drugs that are not normally covered by a Medicare Prescription Drug Plan. Solis Health Plans pays for certain OTC drugs. Diphenhydramine, Fexofenadine, Cetirizine, Fluticasone Nasal Spray. Solis Health Plans will provide these OTC drugs at no cost to you. The cost to Solis Health Plans of these of these OTC drugs will not count toward your total Part D drug costs (that is, the cost of the OTC drugs does not count for coverage gap)

¿Qué son los medicamentos de venta libre (OTC)?

Los medicamentos de venta libre (OTC) son medicamentos sin receta que, normalmente, no están cubiertos por un plan de medicamentos con receta de Medicare. Difenhidramina, Fexofenadine, Cetirizina, Fluticasona Spray Nasal. Solis Health Plans paga ciertos medicamentos sin receta. Solis Health Plans le proporcionará estos medicamentos sin receta sin costo alguno para usted. El costo de estos medicamentos sin receta para Solis Health Plans no se tendrá en cuenta para los costos totales de los medicamentos de la Parte D (es decir, el costo de los medicamentos sin receta no se tendrá en cuenta para la interrupción de la cobertura).

What if my drug is not on the Formulary?

If your drug is not included in this formulary (list of covered drugs), you should first contact Member Services and ask if your drug is covered.

If you learn that Solis Health Plans does not cover your drug, you have two options:

- You can ask Member Services for a list of similar drugs that are covered by Solis Health Plans. When you receive the list, show it to your doctor and ask him or her to prescribe a similar drug that is covered by Solis Health Plans.

- You can ask Solis Health Plans to make an exception and cover your drug. See below for information about how to request an exception.

¿Qué pasa si mi medicamento no está en el Formulario?

Si el medicamento que toma no está incluido en este Formulario (lista de medicamentos cubiertos), primero debe comunicarse con Servicios al Afiliado y preguntar si su medicamento está cubierto.

Si resulta que Solis Health Plans no cubre el medicamento que toma, tiene dos alternativas:

- Puede pedir a Servicios al afiliado una lista de medicamentos similares que estén cubiertos por Solis Health Plans. Cuando reciba la lista, muéstresela a su médico y pídale que le recete un medicamento similar que esté cubierto por Solis Health Plans.

- Puede solicitar que Solis Health Plans haga una excepción y cubra su medicamento. Consulte a continuación para obtener información sobre cómo solicitar una excepción.

How do I request an exception to the Solis Health Plans Formulary?

You can ask Solis Health Plans to make an exception to our coverage rules. There are several types of exceptions that you can ask us to make.

- You can ask us to cover a drug even if it is not on our formulary. If approved, this drug will be covered at a pre-determined cost-sharing level, and you would not be able to ask us to provide the drug at a lower cost-sharing level.

- You can ask us to cover a formulary drug at lower cost-sharing level unless the drug is on the specialty tier. If approved this would lower the amount you must pay for your drug.
- You can ask us to waive coverage restrictions or limits on your drug. For example, for certain drugs, our plan limits the amount of the drug that we will cover. If your drug has a quantity limit, you can ask us to waive the limit and cover a greater amount.

Generally, Solis Health Plans will only approve your request for an exception if the alternative drugs included on the plan's formulary, the lower cost-sharing drug or additional utilization restrictions would not be as effective in treating your condition and/or would cause you to have adverse medical effects.

You should contact us to ask us for an initial coverage decision for a formulary, lower cost-sharing drug or utilization restriction exception. **When you request a formulary, lower cost-sharing drug or utilization restriction exception you should submit a statement from your prescriber or physician supporting your request.** Generally, we must make our decision within 72 hours of getting your prescriber's supporting statement. You can request an expedited (fast) exception if you or your doctor believe that your health could be seriously harmed by waiting up to 72 hours for a decision. If your request to expedite is granted, we must give you a decision no later than 24 hours after we get a supporting statement from your doctor or other prescriber.

¿Cómo puedo solicitar que se haga una excepción al Formulario de Solis Health Plans?

Puede solicitarle a nuestro plan que haga una excepción a nuestras reglas de cobertura. Hay varios tipos de excepciones que puede solicitarnos.

- Puede pedirnos que cubramos un medicamento, incluso si no está en nuestro Formulario. Si se aprueba, este medicamento estará cubierto a un nivel de costo

compartido predeterminado, y usted no podrá pedirnos que le brindemos el medicamento a un nivel de costo compartido menor.

- Puede pedirnos que cubramos un medicamento del Formulario a un nivel de costo compartido menor (si este medicamento no está incluido en el nivel de medicamentos especializados). Si se aprueba, esto reduciría el monto que usted debe pagar por su medicamento.

- Puede pedirnos que no apliquemos restricciones o límites de cobertura para su medicamento. Por ejemplo, para ciertos medicamentos, nuestro plan limita la cantidad del medicamento que cubriremos. Si su medicamento tiene un límite de cantidad, puede pedirnos que hagamos una excepción al límite y cubramos una cantidad mayor.

Por lo general, Solis Health Plans solo aprobará su pedido de excepción si los medicamentos alternativos incluidos en el Formulario del plan, el medicamento de menor costo compartido o las restricciones de uso adicionales no fueran tan efectivos para tratar su condición o pudieran causarle efectos médicos adversos.

Debe comunicarse con nosotros para solicitarnos una decisión inicial de cobertura para una excepción al Formulario, de nivel de costo más bajo o a la restricción de uso. **Cuando solicita una excepción al Formulario, de nivel de costo más bajo o a la restricción de uso, debe presentar una declaración de su médico o de la persona autorizada a dar recetas que respalde su solicitud.** Por lo general, debemos tomar una decisión dentro de las 72 horas a partir de la fecha de haber recibido la declaración que respalda su solicitud por parte de la persona autorizada a dar recetas. Puede solicitar una excepción acelerada (rápida) si usted o su médico consideran que esperar 72 horas para la toma de la decisión podría perjudicar gravemente su salud. Si se le concede el trámite rápido de la excepción, debemos comunicarle nuestra decisión a más tardar dentro de las 24 horas después de haber recibido la declaración de respaldo de su médico o de otra persona autorizada a dar recetas.

What do I do before I can talk to my doctor about changing my drugs or requesting an exception?

As a new or continuing member in our plan you may be taking drugs that are not on our formulary. Or, you may be taking a drug that is on our formulary but your ability to get it is limited. For example, you may need a prior authorization from us before you can fill your prescription. You should talk to your doctor to decide if you should switch to an appropriate drug that we cover or request a formulary exception so that we will cover the drug you take. While you talk to your doctor to determine the right course of action for you, we may cover your drug in certain cases during the first 90 days you are a member of our plan.

For each of your drugs that is not on our formulary or if your ability to get your drugs is limited, we will cover a temporary 30-day supply. If your prescription is written for fewer days, we'll allow refills to provide up to a maximum 30-day supply of medication. After your first 30-day

supply, we will not pay for these drugs, even if you have been a member of the plan less than 90 days.

If you are a resident of a long-term care facility and you need a drug that is not on our formulary or if your ability to get your drugs is limited, but you are past the first 90 days of membership in our plan, we will cover a 31-day emergency supply of that drug while you pursue a formulary exception.

During the plan year, your treatment setting may change. For example, you are discharged from a hospital setting to a home setting. If your treatment setting changes, we will cover a temporary 30-day supply for each of your drugs that is not on our formulary or if your ability to get your drugs is limited. In the meantime, you should talk to your doctor to decide if you should switch to an appropriate drug that we cover or request a formulary exception so that we will continue to cover the drug you take.

¿Qué debo hacer antes de hablar con mi médico sobre el cambio de los medicamentos que tomo o la solicitud de una excepción?

Como afiliado nuevo o permanente de nuestro plan, es posible que esté tomando medicamentos que no están incluidos en el Formulario. También es posible que esté tomando un medicamento incluido en el Formulario, pero su capacidad de conseguirlo sea limitada. Por ejemplo, puede necesitar nuestra autorización previa antes de poder obtener su medicamento con receta. Debe consultar con su médico para decidir si debe cambiar su medicamento por uno apropiado que nosotros cubramos o solicitar una excepción al formulario para que le cubramos el medicamento que toma. Mientras evalúa con su médico el procedimiento adecuado para seguir en su caso, podemos cubrir su medicamento, en ciertos casos, durante los primeros 90 días en que usted sea afiliado de nuestro plan.

Para cada uno de los medicamentos que no estén incluidos en el Formulario, o si su capacidad para conseguir los medicamentos es limitada, cubriremos un suministro temporal para 30 días. Si su receta está indicada para menos días, permitiremos que realice repeticiones por un máximo de hasta 30 días del medicamento. Después del primer suministro para 30 días, no seguiremos pagando estos medicamentos, incluso si ha sido afiliado del plan durante menos de 90 días.

Si es residente de una institución a largo plazo y necesita un medicamento que no está en el Formulario o si su capacidad para conseguir los medicamentos es limitada, pero ya pasaron los primeros 90 días de membresía en nuestro plan, cubriremos un suministro de emergencia del medicamento para 31 días mientras solicita la excepción al formulario.

Durante el año del plan, el ámbito de su tratamiento puede cambiar. Por ejemplo, se le da de alta de un hospital a un hogar. Si el ámbito de su tratamiento cambia, cubriremos un suministro temporal de 30 días para cada uno de sus medicamentos que no estén en nuestro formulario o si su capacidad para obtener sus medicamentos es limitada. Mientras tanto, debe hablar con su

médico para decidir si debe cambiar a un medicamento apropiado que cubrimos o solicitar una excepción al formulario para que sigamos cubriendo el medicamento que usted toma.

- **Step Therapy (ST):** In some cases, The Plan requires you to first try certain drugs to treat your medical condition before we will cover another drug for that condition. For example, if Drug A and Drug B both treat your medical condition, The Plan may not cover Drug B unless you try Drug A first. If Drug A does not work for you, The Plan will then cover Drug B.
- **Step Therapy for New Starts Only (ST_NSO):** If you are starting a new drug, you are required to first try certain drugs to treat your medical condition before we will cover another drug for that condition.
- **Excluded Drugs (EX):** This prescription drug is not normally covered in a Medicare Prescription Drug Plan. The amount you pay when you fill a prescription for this drug does not count towards your total drug costs (that is, the amount you pay does not help you qualify for catastrophic coverage). In addition, if you are receiving extra help to pay for your prescriptions, you will not get any extra help to pay for this drug.

Símbolos y abreviaturas utilizadas en el Formulario

- **Distribución limitada (LD, por sus siglas en inglés)**: la abreviatura "LD" al lado del nombre de un medicamento indica que la Administración de Alimentos y Medicamentos (FDA, por sus siglas en inglés) indica que el medicamento ha sido identificado como restringido a ciertas farmacias. Estos medicamentos solo pueden obtenerse en farmacias especializadas designadas capaces de manejarlos adecuadamente.

- **Suministro de día no extendido (NDS, por sus siglas en inglés)**: Usted puede ser capaz de recibir mayor que 1 mes de suministro de medicamentos en los niveles 1, 2, 3, y 6 a través de Minoristas o de pedidos por Correo. la abreviatura "NDS" al lado del nombre de un medicamento indica que el medicamento se limita a 1 mes de suministro de ambos Minorista y de Pedido por Correo.

- **Autorización previa (PA, por sus siglas en inglés)**: Solis Health Plans requiere que usted o su médico obtengan una autorización previa para ciertos medicamentos. Esto significa que necesitará obtener la aprobación del Plan antes de surtir sus recetas. Si no obtiene la aprobación, es posible que el plan no cubra el medicamento.

- **Restricción de autorización previa para la determinación de la Parte B frente a la Parte D (PA_BvD, por sus siglas en inglés)**: este medicamento puede ser elegible para el pago de la Parte B o la Parte D de Medicare. Usted (o su médico) debe obtener una autorización previa del Plan para determinar que este medicamento es cubierto por Medicare Parte D antes de surtir su receta para este medicamento. Sin aprobación previa, es posible que el plan no cubra este medicamento.

- **Restricción de autorización previa solo para nuevos comienzos (PA_NSO, por sus siglas en inglés)**: si está comenzando un nuevo medicamento, usted (o su médico) debe obtener una autorización previa del Plan antes de surtir su receta para este medicamento. Sin aprobación previa, es posible que el plan no cubra este medicamento.

- **Límites de cantidad (QL, por sus siglas en inglés)**: para ciertos medicamentos, el plan limita la cantidad del medicamento que cubrirá. Esto podría incluir un límite por relleno, diario, mensual o annual.

- **Terapia escalonada (ST, por sus siglas en inglés)**: en algunos casos, el plan requiere que primero pruebe ciertos medicamentos para tratar su afección médica antes de que cubramos otro medicamento para esa afección. Por ejemplo, si el medicamento A y el medicamento B tratan su afección médica, es posible que el plan no cubra el medicamento B a menos que primero pruebe el medicamento A. Si el medicamento A no funciona para usted, el plan cubrirá el medicamento B.

- **Terapia escalonada solo para nuevos comienzos (ST_NSO, por sus siglas en inglés)**: si está comenzando un nuevo medicamento, primero debe probar ciertos medicamentos para tratar su condición médica antes de que cubramos otro medicamento para esa condición.

- **Medicamentos excluidos (EX, por sus siglas en inglés)**: Este medicamento con receta por lo general no está cubierto en un plan de medicamentos con receta de Medicare. El monto que paga cuando obtiene uno de estos medicamentos con receta no se tiene en cuenta en sus costos totales de medicamentos (es decir, el monto que usted paga no lo ayuda a calificar para la cobertura en situaciones catastróficas). Además, si recibe ayuda adicional para pagar sus medicamentos con receta, no recibirá ninguna ayuda adicional para pagar este medicamento.
